Professional Experience

Oved Group (o5 group)

2024-Present

Post Production Coordinator – ECOM (currently employed)

- Oversee end-to-end **e-commerce content production** for apparel brands including Eddie Bauer, Lands End, and Champion Kids, ensuring asset accuracy, brand consistency, and alignment with seasonal assortment launches.
- Coordinate **photoshoots, samples, styling needs, and asset trafficking**, maintaining clear communication between marketing, merchandising, creative teams, & vendors.
- Manage **digital asset workflows** across pre-production and post-production stages, ensuring timely delivery of high-volume assets into DAM/PIM systems with correct metadata and SKU alignment.
- Drive go-to-market timelines for **weekly and seasonal product drops**.
- Produce compelling marketing assets and product imagery aligned with brand guidelines for e-com, social, and retail campaigns.

The Gx Universe Studios
